Healing Spaces: A Celebration of Music & Gardens in honor of The Community that Gives

We hope you can join us in an event to express our deepest gratitude to The Community Foundation of Frederick County and Donors who have made new musical venues and outdoor enjoyments and activities possible for residents of Citizens Care & Rehabilitation Center and Montevue Assisted Living. We are busy planning the enrichment of our music programs and the accessibility of garden areas for memory care residents. We would like to share our plans & dreams with you and, most of all, we look forward to the opportunity to express our heartfelt thanks for the many ways you serve our community and seek to improve the quality of life of Frederick County residents.

Tuesday, May 15, 2018

Please join us from 4 to 6 pm.

(Celebration follows program, with Music (on one of our new pianos), Refreshments and Staff-led Tours of the Memory Garden.)

Citizens Care & Rehabilitation Center

1920 Rosemont Ave.

Frederick, MD 21702
