## IT'S A NEW DAY AT LAUREL RIDGE

We are committed to enhancing the lives of our residents, whether they need short-term rehab, traditional long-term support or specialized care. At Laurel Ridge, we recognize that the difference is in the details and we invest as much time and energy in our setting as we do in the care we provide.

Our mission is to provide a bridge between inpatient care and home for our short-term residents, and to achieve and maintain the highest possible level of functioning for each of our long-term residents.

## LAUREL RIDGE'S SERVICES AND AMENITIES:

- 24-hour skilled nursing care
- Rehabilitative therapies (physical, occupational, speech) available seven days a week if indicated
- Dementia and behavioral care programming
- Social service/discharge planning
- Recreational, educational and social activities
- Religious services
- Delicious, nutritious meals
- Care by ancillary providers such as psych services, hospice services, podiatry, optometry, audiology, and dentistry
- Dietitian and pharmacy consultants

## LAUREL RIDGE'S DEDICATED MEMORY CARE UNIT

Our true, dedicated memory care unit is designed specifically for seniors living with Alzheimer's and related dementias. Our secure unit offers specialized programming and person-centered care to promote the highest possible quality of life and help residents live with the dignity and respect they deserve.

- Environmental features and cues designed for familiarity and comfort
- Staff trained in the CMS approved *Hand in Hand Dementia Care* program for person-centered and habilitation care approaches and interactions
- Nutritional program accommodates specialized diets, functional challenges and texture sensitivities
- Activities program encourages meaningful interactions, connections and positive emotions
- Family support and orientation program encouraging involvement and assisting in successful visits

## LAUREL RIDGE'S DESIGNATED SHORT-TERM STAY UNIT:

Our Designated Short-Term Stay Unit's mission is to act as a bridge to your successful recovery.

Our focus is to ensure that your recuperation will be as smooth as possible. This is evident by our devoted nursing staff, rehab therapists and discharge planning services. Each of our interdisciplinary care team members is committed to meeting the individual needs and goals of our residents.

Our spacious, fully-equipped rehab therapy gym with kitchenette allows us to provide individualized treatment plans that strive to return patients to their prior status and residence, or to achieve and maintain their highest level of functioning.
