## Personalized Care

Choosing the right facility is an important decision. Providing a warm and welcoming transition is our goal. We focus on the physical, mental, social, spiritual and emotional needs of each resident. Our accommodations are coordinated with the resident in mind.

We realize that each resident requires a different level of care. Our residents are assessed upon admission and customized care programs are designed to meet the needs of each individual.

## Amenities and Services

- Extended visiting hours for families
- Courtyards
- Spacious living room
- Progressive therapy gym
- Beauty salon
