EmpRes Healthcare Announces New Location

EmpRes Healthcare opens post-acute care center in Idaho Falls, Idaho

Vancouver, WA. – October 3, 2013 – EmpRes Healthcare, a 100% employee owned company, announced today that Teton Post Acute Care & Rehabilitation is open for business. EmpRes Healthcare hired Kelly Spiers as the executive director to lead the effort to open and license the center.

Brent Weil, chief operations officer for EmpRes Healthcare, said “We are proud to be a part of the Idaho Falls community. The new location is a positive addition to our family of post-acute care centers.”

Teton Post Acute specializes in providing rehabilitative services to seniors following hospitalization. Some of the services provided at the center include 24 hour nursing care, orthopedic rehabilitation, physical therapy, wound management, hospice care, and other complex medical services.

Kelly Spiers, executive director for Teton Post Acute, said “Idaho Falls is in need of a strong rehabilitation center for seniors following hospitalization and we’re glad to be able to bring this service to our community. We are excited to be able to provide jobs to the local economy and to provide care and services to the people of Idaho Falls and surrounding communities.”

Teton Post-Acute is now open and accepting new patients. Families and their loved ones are encouraged to stop by for a tour. The center is located at 3111 Channing Way, Idaho Falls, Idaho. More information about the center can be found by visiting www.tetonpostacute.com.
