*“We believe miracles happen every day...”*

and that a stay at Whitney Oaks can be a life-changing experience. In fact, our entire philosophy of care and standards of care are focused on modern day healthcare with old time values. Our desire is for you to return to a vibrant and active lifestyle filled with independence and healthy living.

We'd be honored to partner with you on this road to good health and would love to be a positive force in your recovery, rehabilitation and wellness.”

—Kyle Dahl, LNHA  
Administrator

*“We believe there is comfort in a warm smile...”*

and that nurturing relationships and encouraging words promote better health. We also believe that these relationships help us develop patient-centered care plans to address your unique needs. We're excited about your recovery and hope to always remain an active participant in your care to ensure a successful transition home.”

— Mike Bilger, Director of Social Services

*“We believe people will never forget how you made them feel.”*

—Fresha Karongo, RN, Director of Nursing

*“You've been so awesome to my grand 'Smiley.' The care that he has been given has made him so happy. He has regained his strength and also his will. We are forever grateful for all the TLC your team has provided! Whitney Oaks Rocks!”—Eleasha*
