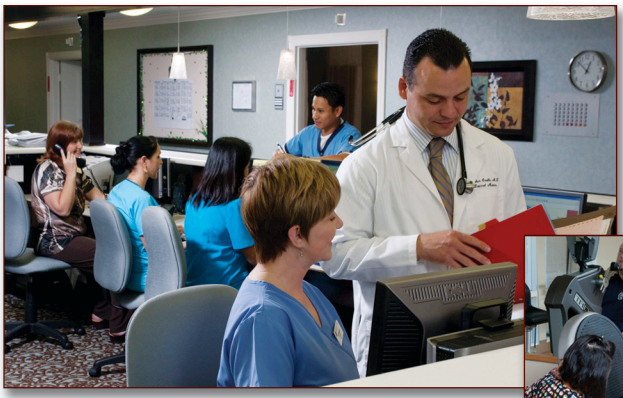
Skilled nursing care

Crystal Cove Care Center supports the healthcare needs of our residents with a skilled team of affiliated physicians, nurses, professionals and support staff. We provide quality nursing care, social services, dynamic rehabilitation and recreational activities for adults of all ages. You will gain strength and mobility, and enhance your quality of life as we help you to return home as quickly as possible.

A caring, dedicated team:

- Skilled 24-hour nursing staff
- Registered and licensed vocational nurses work closely with doctors to meet your medical needs
- Compassionate delivery of your personalized treatment plans
- Wound care
- Respiratory care
- 24-hour, 7-day intravenous therapy
- Pain management modalities, including ice therapy for post-surgical incisions
- Therapeutic diets
- Dietician on staff



Electronic recordkeeping aids Crystal Cove Medical Director, Dr. Wernher Ovalle, (above) in the care of each patient.

Personalized rehabilitation

Crystal Cove Care Center is a short-term treatment facility. We offer highly-skilled, compassionate, rehabilitation specialists trained in the latest techniques:

- Physical therapy
- Occupational therapy
- Speech therapy
- Orthopedic rehabilitation
- Stroke rehabilitation
- Neurological/brain injury care and rehabilitation
- Cardiovascular rehabilitation

The needs of each patient are unique. Treatment programs are individualized and comprehensive, for the best results in rehabilitation and reconditioning. Residents are offered appropriate advice based on their abilities and continuing progress.

Crystal Cove Care Center's therapy gym offers patients access to the latest and most advanced rehabilitation equipment.

Our facilities include:

- New state-of-the-art gymnasium and therapy equipment
- Fully equipped occupational therapy kitchen, for adaptation and reintroduction
- On-site social services to assist with arranging home healthcare and durable medical equipment
- Friendly, family environment – family members are encouraged to participate in care and rehabilitation

Crystal Cove Care Center – the choice for you or your loved ones...

- Personalized, pampered attention
- Caring, highly-skilled, professional staff
- Modern facilities in a tranquil, healing environment
