## **BELLEVUE ART MUSEUM**

**Friday, June 1<sup>st</sup> @ 10:00 AM**

The Bellevue Arts Museum traces its roots back to street fair art in 1947. After several temporary locations, it moved to the third floor of Bellevue Square, a large shopping center in the center of downtown Bellevue, Washington in 1983. In 2001 the museum finally moved into its own building. Come visit the Museum with us and enjoy their current exhibits which will include but are not limited to, Richard Barlow's Manifest. Mr. Barlow's art represents his interests in the chemical and quasi-alchemical effects of early photography and Alex Katz an artist who is known for his large scale paintings, sculptures, and prints. His work has been the subject of more than 200 solo exhibitions and nearly 500 group exhibitions internationally since 1951.
